

RE-REGISTRATION SUMMER SEMESTER 2023

Re-Registration Period:
February 1 through 26, 2023
Semester Fee: 340,14 euros

Please transfer the exact semester fee stating your student ID number (Matrikelnummer), so payments can be properly assigned. The semester fee must be credited to the account of Hochschule Geisenheim University by February 26, 2023. The receipt of payment by the Hochschule Geisenheim University is considered as re-registration for the next semester.

After registration you can validate your Student Card at the machines provided near the cafeteria. Only then will it be stamped with the new period of validity and the semester ticket. You can then print out the necessary BAföG and enrollment certificates for the summer semester 2023 out of the Student Management Portal.

WHAT TO DO IF YOUR RE-REGISTRATION HAS NOT BEEN COMPLETED / STUDENT CARD HAS NOT BEEN VALIDATED ALTHOUGH YOU HAVE TRANSFERRED THE FEE?

If this happens, check the receipt of your semester fee in the student management system under "My studies" (Mein Studium), "Student Services" (Studienservice) in the "Payments" (Zahlungen) tab. Please make sure you have settled any payment discrepancies and submitted all necessary documents before the deadline.

Information on re-registration can also be found at:
www.hs-geisenheim.de/studierendenbuero/

MISSED THE RE-REGISTRATION PERIOD?

Re-registration after the deadline is only possible within the extended registration period (Feb. 27 through March 10, 2023), subject to payment of a late fee of 30 euros.
